The Schloss Thurn Adventure

Today our little dragons explore a park called Schloss Thurn

...and their off!

**Along their way they
spot a friendly and
hungry llama.**

**They stop to chat with a
pony!**

**Let's go
see a show!**

**I hope these are
good seats!**

Ladies and Gents, let the show begin!

The knights prepare for the games.

One brave knight greets the little dragon.

I think we have a winner!

**It's time to
splitt
wood!**

Many others try and decide who should win.

A fight where good versus evil

The bad knight wins the match!

The fighting continues.

Here comes a powerful swing!

Good is the winner!

The knight is made king of Schloss Thurn

What a great show!
